Re: Water Right Permit No. **G2-27985**

Dear Mr. Prather:

In response to your request, you are hereby granted an extension to file a Proof of Appropriation on the above-referenced water right for the reasons below:

- System is currently serving active connections.
- Additional time is needed to amend an invasion of bacteria in the well screen interval.
- Poor local economic conditions have slowed the perfection of this right.

The new deadline to put the water to **full beneficial use** and send a completed Proof of Appropriation form is **December 31, 2016**.
